Dear Ms. Tran,

I am pleased to extend my warmest congratulations to you upon being named Executive Director of the Virginia Asian Chamber of Commerce and Administrator of the Virginia Asian Foundation.

This recognition serves as a tribute to your business excellence and community involvement. Your career in public service will give you the background necessary to continue the dynamic growth of the Virginia Asian Chamber of Commerce. The contributions of the Asian community have been extraordinarily valuable to the spirit and drive that make our Commonwealth and this nation great. We are fortunate to have a strong and vibrant Asian business community in the Commonwealth. I spent twenty years in business before my public service career, and I recognize that businesses are the driving force in creating jobs and strengthening our nation's economy. Thank you for your hard work and dedication in serving the Virginia Asian community and all Virginians during the past several years.

On this important occasion, I am very pleased to join with your family, friends and community in saluting your accomplishments and wishing you the very best in your future endeavors.

Sincerely,

MARK R. WARNER
United States Senator
