VIRGINIA ASIAN CHAMBER MEMBERSHIP**

Virginia Asian Chamber of Commerce

With membership from 7 U.S states, we are a three (3) time national winning Asian American Chamber of Commerce by the US Small Business Administration. We are the official voice of more than 126,000 registered Asian American Businesses in Virginia alone

THANK YOU for joining and/or renewing Virginia Asian Chamber of Commerce (VACC) as a member. We are growing into being an influential business and professional membership association in the Maryland-Virginia-Washington DC area, the Southern States, and the West Coast.

VACC is a national winning trade association by the SBA Champion of Minority Business for the Commonwealth of Virginia & SBA Region 3 (MD-DC-VA-PA-DE-WV). VACC top senior leadership are national award winning business leaders from the US Department of Labour, US Department of Veterans, US Post Office, US Department of Justice, and from dozens of multi-US states, regional, and local areas recognitions and awards for our leadership in facilitating entrepreneurship growth and development initiatives.

We are now accepting new Members: Headquartered in Ashland, VA, our satellite offices champions are in Richmond, Herndon, Vienna, Ashburn, Chantilly, Charlottesville, & Virginia Beach.

Our growing Membership is from 8 U.S large states: MD-VA-DC-PA-NC-GA-AL-CA. The VACC Membership is open to all businesses – nonprofits- corporations-government from any US states.

Our mission is to increase our members visibility through innovative learning and connecting activities. We have the full support from U.S Congress, & The Executive Branch, local, regional, and state economic development agencies, Virginia policy leaders, and local foundations supporting VACC ‘s national leadership achievements in entrepreneurship development space. With events, leadership, and offices in all major state regions, we take great pride on our grass roots representation and proven capabilities to help solve your most challenging business and community outreach issues in a fast and diverse demographic population change.

ABOUT THE VIRGINIA ASIAN CHAMBER OF COMMERCE

Created in 2004, the Virginia Asian Chamber of Commerce, The Voice of Asian Business, is the only and largest Asian American business active advocacy organization in the Commonwealth of Virginia, with more than 5,000 network members attending our hundreds of events.

We are the official Voice of more than 126,000

Asian American and Pacific Islanders businesses

The Chamber is a non-partisan small business advocacy organization that works in the business development and legislative arenas to act as the catalyst for competitiveness for our members in the Mid-Atlantic Region, resulting in helping the **Commonwealth of Virginia regaining its position as top state to do business.**

Virginia Reaps the Return of Investment Benefits

As a Result of VACC Advocacy Actions:

Our public policy team actively **advocates on behalf of our members for initiatives that help move Virginia forward** and stands up against legislation that will harm the Commonwealth friendly business climate.

We work with the **Virginia State Legislature, the Governor's Office, federal, local, and regional authorities to advocate** on our members behalf regarding procurement concerns impacting all minority businesses.

We work with more than 20 Asian embassies throughout the Asian continent to help make connections in trade and commerce to benefit our members international business goals through export seminars, referrals, and **trade mission event promotions to Asia, Europe, and Africa.**

Together with our strategic partners, the Chamber hosts a dozen of signature major conferences, forums, match making procurement expos, and activities in all 3 major regions: Northern Virginia (MD-VA-DC), Central Virginia, and the Hampton Roads Region to advance our members business and economic competitive positions and commercial interests.

OUR VALUE:

Since 2004:

We strengthen the local, regional, and state economy, represent the interest of our member businesses in government, promote our community and the businesses within, and help business grow through learning and connecting activities.
